FACT SHEET

Features

- 33" X 80" roll up banner and 11.75"X19.5" table top roll up banner
- Custom-sized hanging posters
- Sequenced rgb leds (any rgb color)
- Touch sensitive
- Wi-Fi interaction (upcoming feature)

Ease of use

- Lightweight and flexible, keeping shipping inexpensive
- Durable and reusable
- Engaging and interactive
- Sensor and NFC integration available
- Practical and easy to use
- Powered by usb battery or standard plug

How does it Work?

It's basically a very large circuit board using proprietary conductive material set.

Where Are the LEDs?

Our proprietary patent method allows us to embed LED technology directly into the banner material creating the large circuit board.

Are they durable?

Yes, they are incredibly durable.

We have performed stringent "road testing" of these products for durability and longevity and they continue to perform at 100%.

Quantity Price

based on 33" x 80" pop-up banner with 20 LED lights

1	\$975.00
5	\$749.40
10	\$720.20
25	\$675.60
50	\$660.80
100	\$640.87
